### Chapter 2 by juni

"Ugh" Lora grunted turning off the alarm clock for the third time (the alarm clock would ring every 20 minutes starting with 7:00am) Once she fell back asleep her best friend Journey shook her awake telling her to get up. She got up and grabbed her favorite dress. A white silk dragon dress covered in sparkling crystals, it flowed down only showing her white clear shoes. It had a picture of 2 dragons, one black, one white, they were wrapped around each other. She had a white necklace, a white bracelet, and a ring with a pearl shining on the tip.

After she got dressed and took a shower she brushed her hair into perfect bundles then walked down stairs trying to not trip on her dress. While she was walking down the steps Journey gawked at her perfect hair, clothing, and jewelry. Once she got to the bottom of the stairs she sat down at the table and ate her granola and yogurt using her napkin to catch any falling yogurt. After she was done she noticed Journey staring at her mouth open. She asked him "What?" with a confused look on her face. Stuttering Journey said "You loo-k ama-zing!" She

blushed and smiled.
